WILD COMBINATION: A PORTRAIT OF ARTHUR RUSSELL

RETAIL DVD (PLEXIFILM,
WIDESCREEN)

Director Matt Wolf unearths a wealth of unseen footage of the Iowa-born musical acrobat, so confident on the tightrope between New York's avant-garde scene and experimental disco. Family, friends, ex-partner Tom Lee and fellow artists (Philip Glass, Allen Ginsberg) fill out the story of an enigma who lived most of his life in a creative fever before dying of AIDS in 1992.
